*This is an estimated custodian cost, and final invoice will be sent after event. Custodial rates include opening the building and cleaning up after the event. Additional rates may be charged for snow removal if applicable. The district reserves the right to cancel any event due to inclement weather. Security may also be required depending on the size and type of event at the expense of the organization renting the facility. The Superintendent has final discretion on all building usage and costs.

## Rules and Regulations

1. The sponsored activity should be confined to the area approved by the building use permit.
2. The area used for the activity should be left in a clean and orderly condition. (Custodian will do the final cleaning).
3. The organization sponsoring the activity will be required to pay for any damage done to the school premises.
4. Organizations shall not pay custodians directly. Custodians are to be reimbursed by the Board of Education.
5. An employee of the Board of Education must be present at all times when school buildings are being used by school or non-school organizations.
6. The building will not be opened until adequate adult supervision is present.
7. There will be no drinking of intoxicating liquors, smoking or use of drugs in the buildings or on the premises.
8. Any materials used to decorate the building should be flame proof and previously approved by the principal.
9. All posted rules shall be followed.
10. Certain rooms may not be rented at any time.

The Board of Education encourages community use of the school premises. It is necessary, however, to ensure that such use does not interfere with the regular school purposes, impose undue burden on personnel, or strain the limited funds allotted for building services and maintenance. Therefore, these specific regulations have been established.
