Playback Moments:

The boys' middle school cross country team recently had a meet at Hudson. They unfortunately did not have a full team to score points but still did well. Camden Ellis (28) got 5th, Grant Rasor (29) got 6th, Brennan Chiotti (30) got 14th, and Brody Masters (28) got 22nd. Overall the boys got 4th place in the meet. Meanwhile the middle school girls' cross country team is dominating. They have 2 wins and 2 runner ups right now. All seven runners have a huge part to do with this. One of the meets was at Gerber Hill Park Blissfield's home course; they placed first at this meet. That meet took place on Tuesday September 19th. Rowyn Wing (30) said, "When we won I was really excited because it was my first time winning." Breslin Wing (28) got second place, Rory Vida (28) got third place, Susie Carpenter (29) got fourth, and Molly Fojtik (29) got seventh place and Kate Masters (29) Rowyn Wing (30) and Blair Lake (28) did good as well. The season came to a end as of October 25th. For the first time in school history the girls got first place overall at Regionals and MS boys got sixth overall.

5th & 6th Grade Football:

The sixth grade football led by coach Ray has 25 players on the team. They have not won a game but, have one more left. Lane Smith Emerson said his favorite thing about football is "just playing and having fun." He also said, "I think we are doing good for being newly formed team playing teams who have played since 3rd grade." Josh Cousino also a football player said he played defensive line, guard and, tackle on offensive line. He said his favorite play was 42 lucky, which was a play on defense. His favorite completed play was a 78 yard touchdown run. Cousino said, "The first week of 2 hour practices were hard because having the heavy helmets would give me a head ache and the shoulder pads were also heavy and made me tired."

Bio Box:

An amazing Bobcat Carolyn Mohler in tap, ballet, and jazz for her musical career. Mohler said, "I enjoy dance because you get to learn new things, every class and meet new people." Mohler has practices every Tuesday night from 5-8pm Mohler hopes to pursue dance in her future for her career in musicals. Mohler is just doing lessons, she was in competitive cheer for our school but she thought it would be good to start something different. Mohler says she definitely recommends anyone that is interested in doing dance try doing dance at Epic Dance Company.

2023 FFA Broiler Contest

On September 28th the school will have received 300 broiler chicks to take care of. Along with many other teams across the whole state of Michigan. The school will raise and take care of the chicks for 5 weeks. The reason they hold the FFA Broiler Contest is to enhance students' knowledge in animal husbandry, science, mathematics, English, and other academic subjects through a hands-on-farm to plate experience. The students had visited a meat processing plant to learn about meat quality and how they processed the chickens and the meat. They will also sell the meat of the chickens they raise at the school and be graded for the size of the chicken at the contest in Fowlerville Michigan.

Alternate Activity:

The middle school choir is preparing for their Halloween concert by practicing, singing, polishing their voices, and their solo's. Some of them will sing solo's when the concert had come. One of the students in Mr. Schreiber's choir class, Grant Rasor (29) said, “I think we will do good for it being our first concert of the year!” Maddox Diesing (28) also a member of the middle school choir, said his strengths and weaknesses in choir are “My strengths are singing low and my weakness is singing high.” 1st hour on friday the band + choir preformed for elementary. Harlow Jurgenson said, “The kids liked interacted to w/ us by clapping/slapping/patting/snapping I think they really enjoyed it.” The middle school choir Performed on October 27th to the elementary students
