Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for **Whiteford High School**. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Jeremy Fielder, Middle/High School Principal, at 734-856-1443, ext. 102 for assistance.

The AER is available for you to review electronically by visiting the following website www.whiteford.k12.mi.us, or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

The key challenges for Whiteford High School is in large part due to the current work on curriculum alignment and identification of core essential standards. The key initiatives at Whiteford High School to accelerate student achievement and address key challenges include:

- Utilizing Richard DuFour's Professional Learning Community (PLC) model for:
 - A Focus on Learning
 - A Collaborative Culture With a Focus on Learning for All
 - Collective Inquiry Into Best Practice and Current Reality
 - Action Orientation: Learning by Doing
 - A Commitment to Continuous Improvement
 - Results Orientation
- Utilizing Center for Educational Leadership 5D+Instructional Framework and Instructional Growth and Teacher Evaluation Tool
- Personalized Learning for students through a LMS; Schoology
- Curriculum alignment and revision based on student outcomes from multiple data measures
- Increasing rigor in curriculum offerings and lessons

- Peer to peer tutoring for identified students
- Utilizing all school media to invite parents to parent/teacher conferences

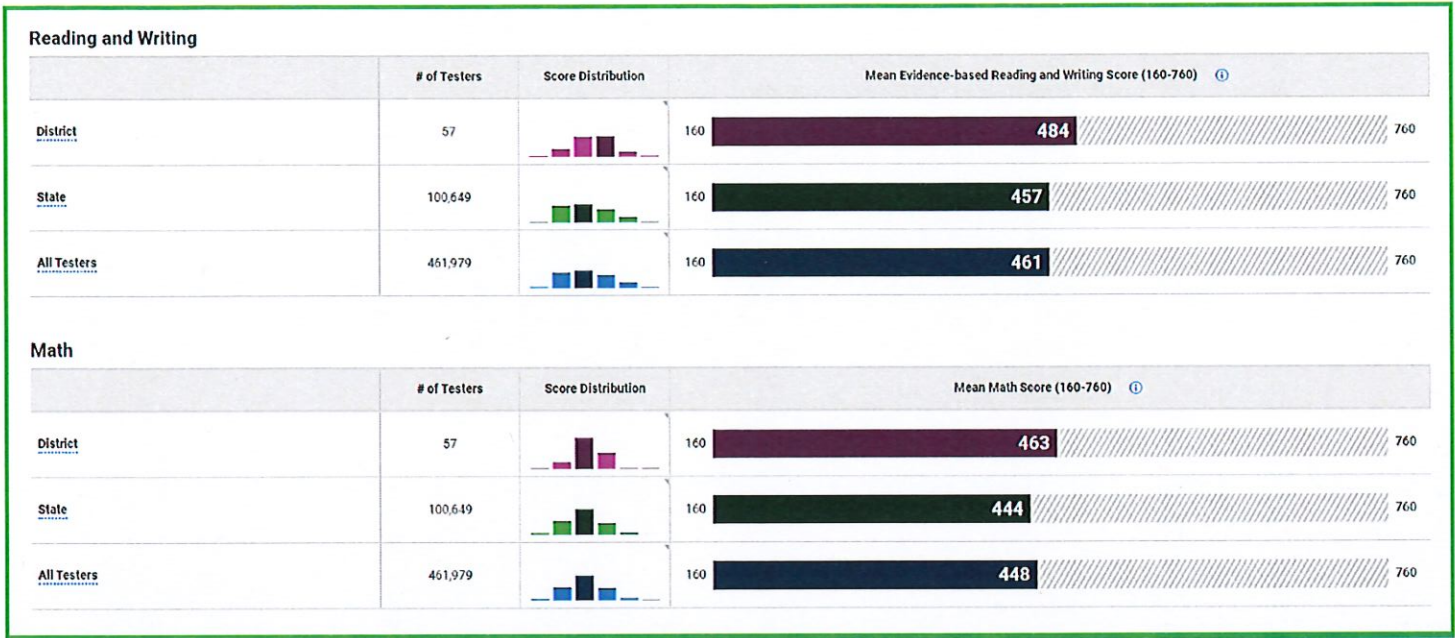

State law requires that we also report additional information.

- Students are assigned to Whiteford High School based on academic promotion as an eligible student in the Whiteford Agricultural District.
- The current Whiteford High School Improvement Plan continues to be built and managed based on student performance data, staff performance data, and local, state and federal requirements. On-going and frequent review of the plan is a necessary component of this process.
- Students are selected for inclusion in specialized schools either through self-nomination or placed by recommendation of an Individualized Educational Planning Committee. The purpose of these programs is to provide additional learning opportunities to the regular Whiteford curriculum.
- Implementation of the Whiteford High School core curriculum varies as the State and Federal requirements change, student performance data is reviewed, and student needs evolve. Continual evaluation of these expectations is the guiding factor in revisions to the delivery and assessment of core content. All curricula meet requirements of the Michigan Merit Curriculum, content expectations, and Michigan State Standards. Core curriculum course descriptions can be found in the High School Curriculum Guide located on the Whiteford Agricultural School District website. Core course outlines are available in the High School office upon request.
- Whiteford High School students (grades 9, 10 and 11) take the PSAT/SAT Suite of assessments. Results for the 2022-2023 school year are as follows:
