SUPERINTENDENT FAMILY BULLETIN FEBRUARY 26, 2023

GREETING

Hey, Bobcat Families and Staff! After checking the Consumers Energy outage map this afternoon, it appears most, if not all, families should have their power restored after last week's ice storm. Our February daily temperatures ran above average for the most part, so I am wondering if we may see an early spring? Speaking of spring, we are just four weeks from spring break. It is going to be a busy month of March for our students and staff. In the classroom, our staff will continue to push our students' thinking and learning by providing rigorous and relevant lessons and projects. Our goal is to continue to see all of our students make academic gains. Outside of the classroom, our students will continue to excel in FFA, music, theater, robotics, and athletics. At Whiteford, we believe in developing the "Whole Child" where students are growing cognitively, physically, behaviorally, and emotionally. We believe this development occurs when home, school, and the community come together to support each of our unique learners. We are better together - We are Whiteford!
