### **SUPERINTENDENT FAMILY BULLETIN**

**SCOTT L. HUARD, ED.S.**

**JUNE 7, 2024**

### **GREETING**

As the final bell of the school year rang, signaling the beginning of our summer break, I wanted to take a moment to reflect on the incredible journey we've had this year and share a few thoughts as we enter into the summer.

To our parents and guardians: Your support, partnership, and unwavering commitment to your children's education have been instrumental in their success. Thank you for trusting us to nurture and guide them. We hope you enjoy this break and cherish these moments with your families and friends. Please encourage your students to read this summer to continue to build their background knowledge that will help them in the years to come with all academic content areas.

To our teachers and staff: Your dedication and passion have made all the difference. You have not only imparted knowledge but also instilled confidence and a love for learning in our students. You have gone above and beyond, often behind the scenes, to ensure a supportive and enriching environment for everyone. Take this time to relax and rejuvenate, knowing that your efforts have made a profound impact in the lives of our students at Whiteford.

As we step into the summer months, I encourage everyone to make the most of this time. Whether it's embarking on a new adventure, spending time with loved ones, diving into a good book, or simply taking a moment to breathe and reflect, let this be a season of joy and renewal. Please stay safe, make memories, and take care of yourselves and each other. I look forward to welcoming everyone back in the fall, ready to embark on another year of learning and growth.

Thank you for making this school year remarkable. Have a wonderful summer! We are better together - We are Whiteford!

### **TRANSITIONAL KINDERGARTEN (TK) UPDATE**

Ms. Hillard taught in a TK (Young 5) program at Monroe Road Elementary in Bedford for her student teaching. There she organized classroom activities and content to grow students' cognitive, social, emotional, and physical development. We are excited to welcome Lainey to the Whiteford Staff Family!

## PERCEPTION SURVEYS

Whiteford Agricultural School District is inviting all parents/guardians to participate in our PERCEPTION SURVEYS SPRING 2024 by Monday, June 10. Your participation is very important to us as we continuously strive to better meet the needs of our students. Each response is reviewed and used for future planning. We have separate surveys to help delineate and analyze the data, and it should take you just a few minutes to complete each survey. If you have multiple children at different schools, please complete one survey for each school that your children attend. If you have multiple children at one school, only complete one survey for that school from the lens of your "Overall" experience from the 23-24 school year. We appreciate your time in completing the surveys and the feedback gained! To take the surveys, please click the appropriate link(s) below:

For the [DISTRICT Parent/Guardian Perception Survey Spring 2024](#), we are asking all parents/guardians to complete.

For the [ELEMENTARY Parent/Guardian Perception Survey Spring 2024](#), we are seeking feedback from those parents/guardians with a child at the elementary.

## **MEAL MAGIC ACCOUNTS**

As the school year winds down, we ask all parents to watch the balance in their student's Meal Magic account. If the account is in the negative, please make a deposit to cover the negative balance and any other purchases that may be made through the end of the school year. For parents of a senior, any balance remaining on your senior student's account at the end of the school year will be transferred to a younger sibling's account (if applicable). If there are no other siblings in the district, any balance in excess of \$10.00 will be refunded to the family if a request is made in writing by the parent and a mailing address is provided. These requests should be made to the Business Office (acctg@whiteford.k12.mi.us) by June 14, 2024.

## **BOOSTER GOLF OUTING**

The Whiteford Athletic Boosters are hosting their 34th annual Golf Outing Friday, July 12, 2024, at The Legacy Golf Club in Ottawa Lake. Funds generated from activities sponsored by the Whiteford Athletic Boosters over the past year have allowed them to assist our athletic teams with items such as uniforms and equipment for every athletic team at Whiteford. Please see the fliers posted on the district Facebook page for information on sponsorship or registering your team. Space is limited to the first 36 foursomes to be paid in full.

## **BUS SERVICE**

We are currently short a bus driver, and we have limited substitute drivers that are covering this shortage. We have instituted a rolling cancellation of AM and PM routes to ensure equity with our bus service. We apologize to our families that utilize our bus service daily, and we are actively looking for permanent and substitute bus drivers. If you are interested in learning more about filling either position, please contact Charlie Butz at: cbutz@whiteford.k12.mi.us.

## **TRANSPORTATION REQUEST FORMS**

Transportation Request forms were due to school by June 1, 2024. If you plan to have your child ride the bus next year, it is mandatory that you fill out and return a Transportation Request Form and return it to school. If you do not fill out and return it to school, your child(ren) will not be assigned to a bus route for the 2024-2025 school year. You can access a Transportation Request Form here: [Transportation Request Form](#). Additionally, they can be found on our website under the Transportation and New Student Registration Tab. Thank you for your cooperation.

## **SCHOOL OF CHOICE WINDOW NOW OPEN**

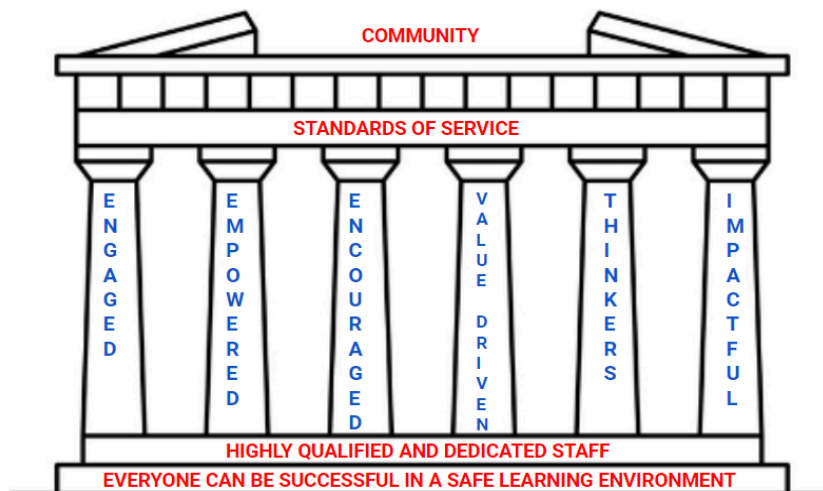

To provide a quality education for all students in Monroe County, the Monroe County Schools of Choice Program is offered by the Monroe County Intermediate School District in cooperation with its constituent districts. This program allows parents and students the choice to attend any public school in Monroe County, regardless of where they live. The Monroe County Schools of Choice application window will be open April 1, 2024 - June 28, 2024. Applications are available on our website [www.whiteford.k12.mi.us](http://www.whiteford.k12.mi.us) located [here](#), or you can access a hardcopy application at the Superintendent's Office. Remember, a student must be released by his/her resident district. Here is the School of Choice Process:

- Student and parent(s) complete the application and file it with the RESIDENT district.
- Application is reviewed to determine if the student meets guidelines to participate in the program.
- Students who do not qualify are notified by the RESIDENT district and the process ends.
- For students who do qualify, the RESIDENT district signs the application and forwards it to the CHOICE district.
- The CHOICE district informs applicant whether or not space is available at the district. This communication is copied and sent to the RESIDENT district, so all parties know who has been accepted by the CHOICE district.
- If space is not available, the family is notified and is placed on a waitlist, or the process ends.
- For students accepted by the CHOICE district, parents/guardians MUST formally enroll the student.
