“Be A Bobcat”

- Every month at Whiteford Elementary School we will be talking to the students about a different value.
- These values make up what it means to “Be a Bobcat.”
- Our value this month is **Kindness**.
- At the end of the month we will be celebrating the students who have been identified as best exhibiting that value!
- I will be sharing these values every month on our News Blast!

FALL FESTIVAL

OCTOBER 5, 2024 10AM-4PM

WHAT WE'VE ACCOMPLISHED

In only 3 short months of planning, the committee hosted the first Whiteford Fall Festival in 2021. Since then, there have been 3 festivals and a dog walk— raising over \$100,000 for the playground project. In September of 2024, Phase I of the playground will be installed at Stoneco park.

With nearly 10,000 attendees in 2023, our festival included a 300+ car and tractor show; live entertainment; silent auction; several food trucks; 100 vendor and craft booths; a kids play zone including bounce houses, face painting & a fire breathing juggler; a visit from Monroe County's Mounted Police and K9 Units, and so much more!

BECOME A SPONSOR

With community support, we can continue our mission of providing a playground that will allow children of all abilities to enjoy a day at the park. We are currently in search of sponsors for our 2024 Whiteford Fall Festival. We are a 501(c)(3) with Community Foundation of Monroe County. All donations are tax deductible. We are counting on your support and the kids thank you very much!
