Elementary Cell Phone/Device Policy

- All cell phones, smart watches or other communication devices are allowed to be brought to school.
- **BUT**, while at school these devices need to be powered off and stored out of sight.
- From the Whiteford Elementary Handbook pg. 23
 - “Students may possess wireless communication devices (WCDs) in school, on school property, during after school activities (e.g. extra-curricular activities) and at school-related functions, provided that during school hours the WCDs are powered completely off (i.e., not just placed into vibrate or silent mode) and stored out of sight.”
 - “Violations of this policy may result in disciplinary action and/or confiscation of the WCD.”

Emergency Contact Update!

- Mr. Huard sent out an email this week to outline how to update your emergency contact information.
- Please follow this link for step-by-step instructions.
- This process is required of all parents/guardians for each of their students, so please take a few minutes to complete this process.
- If you have any questions, please contact Mr. Marsh.

Volunteer Form

- Whiteford Agricultural School District appreciates your willingness to serve as a volunteer in our district and become a substantial and vital part of our school programs! You can access the form [here](#) or from any school office. Please complete both sides of the form and return it to your student's building office, teacher, or coach. Background checks will be done on an annual basis.

Parapro/Administrative Assistant Substitutes

- We are currently in need of Administrative Assistant (\$17.65 per hr) and Paraprofessional (\$15.00 per hr) substitutes in both our elementary and middle/high school buildings. If you are looking for a fun way to get involved in our amazing school community all while earning a little extra spending cash, please consider filling in as a substitute in one of our main offices or helping our incredible teachers out as a classroom parapro.
