Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for **Whiteford Elementary School**. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Samuel Marsh, Elementary Principal, at 734-856-1443, ext. 104 for assistance.

The AER is available for you to review electronically by visiting the following website www.whiteford.k12.mi.us, or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

The key challenges for Whiteford Elementary School in relation to our NWEA, MSTEP and Michigan Department of Education (MDE) Early Literacy and Mathematics Assessment data results is in large part due to the current work on curriculum alignment, identification of essential skills and standards for our K-5 students, as well as direct intervention and enrichment services that we can provide for our students as we meet their academic needs for continued growth and proficiency.

The key initiatives at Whiteford Elementary School used to help accelerate student achievement and address these key challenges include:

- Utilizing Richard DuFour's Professional Learning Community (PLC) model for:
 - A Collaborative Culture With a Focus on Learning for All
 - Identifying essential standards in each core curriculum area
 - Identifying students needing intervention or enrichment
 - Creating strategies to meet the needs of those interventions and enrichments
 - Collective Inquiry Into Best Practice and Current Reality
 - A Commitment to Continuous Improvement
 - Results Orientation
- Utilizing Center for Educational Leadership 5D+Instructional Framework and Instructional Growth and Teacher Evaluation Tool
- Utilizing school wide academic interventionists in math and ELA
- Personalized Learning for students through a LMS; Schoology
- Curriculum alignment and revision based on student outcomes from multiple data measures

- Increasing rigor in curriculum offerings and lessons
- Check in/out mentors for identified students
- Utilizing all school media to invite parents to parent/teacher conferences

State law requires that we also report additional information:

- Students are assigned to the Whiteford Elementary School based on academic promotion as an eligible student in the Whiteford Agricultural District.
- We are currently in year three (3) of our five (5) year Whiteford School Strategic Plan. We have four (4) main goal areas we are focusing on. The first goal is to develop and maintain a rigorous and relevant curriculum among all disciplines. We are working to achieve this goal by vetting new curriculums and making sure all of our curriculums are up to date and align with the Common Core Curriculum. The second one is a focus on personnel and leadership which we are working towards developing and implementing a plan to attract and retain highly qualified, motivated staff. The third is to develop a core set of values that support social-emotional health for all students and staff. We are working to achieve this through schoolwide PBIS, monthly value assemblies and morning meetings. The last is a focus on facilities where we want to keep them up to date, well maintained, and make improvements as necessary. We are working toward achieving this goal by surveying the needs and making the necessary adjustments as needed. Through all of the plan, we rely on feedback from stakeholders and data to make adjustments as needed throughout the process.
- Students are selected for inclusion in specialized schools through recommendation of an Individualized Educational Planning Committee. The purpose of these programs is to provide additional learning opportunities to the regular Whiteford curriculum.
- Whiteford Elementary students take the Michigan Department of Education (MDE) Early Literacy and Mathematics Assessment in kindergarten through second grade as their measure of academic progress (See Attachment).
- Third through fifth graders take the Northwest Education Association (NWEA) as their measure of academic progress annually (See Attachment).
- A copy of each grade level, (K-5), essential standards for English Language Arts and Mathematics can be obtained on [Whiteford Agricultural Schools Website](#) or in the elementary office. These standards are supported with the utilization of our Amplify reading program and our Everyday Math program as well as additional materials. The NGSS Science Standards as well as the Social Studies Core Content can be viewed as well.
- Whiteford Elementary is a high achieving school where the entire staff continually works to support students in their educational success. We are proud of our students and their hard work and look forward to continuing a positive partnership.
- Implementation of the Whiteford Elementary School core curriculum varies as the State and Federal requirements change. Continual evaluation of these expectations is the guiding factor in revisions to the delivery and assessment of core content. All curricula meet requirements and focus on Common Core State Standards.
