Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for **Whiteford Middle School**. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Jeremy Fielder, Middle/High School Principal, at 734-856-1443, ext. 102 for assistance.

The AER is available for you to review electronically by visiting the following website www.whiteford.k12.mi.us, or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

The key challenges for Whiteford Middle School is in large part due to the current work on curriculum alignment and identification of core essential standards. The key initiatives at Whiteford Middle School to accelerate student achievement and address key challenges include:

- Utilizing Richard DuFour's Professional Learning Community (PLC) model for:
 - A Focus on Learning
 - A Collaborative Culture With a Focus on Learning for All
 - Collective Inquiry Into Best Practice and Current Reality
 - Action Orientation: Learning by Doing
 - A Commitment to Continuous Improvement
 - Results Orientation
- Utilizing Center for Educational Leadership 5D+Instructional Framework and Instructional Growth and Teacher Evaluation Tool
- Personalized Learning for students through a LMS; Schoology
- Curriculum alignment and revision based on student outcomes from multiple data measures

- Increasing rigor in curriculum offerings and lessons
- Check in/out mentors for identified students
- Structured intervention time with core teachers to address key deficits by student by standard
- Utilizing all school media to invite parents to parent/teacher conferences

State law requires that we also report additional information.

- Students are assigned to the Whiteford Middle School based on academic promotion as an eligible student in the Whiteford Agricultural District.
- The current Whiteford Middle School Improvement Plan continues to be built and managed based on student performance data, staff performance data, and local, state and federal requirements. On-going and frequent review of the plan is a necessary component of this process.
- Students are selected for inclusion in specialized schools either through self-nomination or placed by recommendation of an Individualized Educational Planning Committee. The purpose of these programs is to provide additional learning opportunities to the regular Whiteford curriculum.
- Implementation of the Whiteford Middle School core curriculum varies as the state and federal requirements change, student performance data is reviewed, and student needs evolve. Continual evaluation of these expectations is the guiding factor in revisions to the delivery and assessment of core content. All curricula meet requirements of content expectations and Michigan State Standards. Core course outlines are available in the Middle School office upon request.
- Whiteford Middle School students take the M-STEP test each spring. Results for the 2022-23 and 2023-2024 school years are as follows:
